APPLICATION FORM: RESO 7 / RESIDENCY OUT Artport, Tel Aviv, Israel

RESO is the international residency exchange network for artist-in-residence and educational programs based in Italy's Piedmont region. RESO's goal is to foster new relationships, cultural exchanges and creative productions, as well as linking artists with the leading contemporary arts institutions. Since 2010 the project has involved the main art institutions in Piedmont and six foreign institutions. The 7th edition includes: Artport (Tel Aviv) and lugar a dudas (Cali). RESO is dedicated to supporting its artist-in-residence in the creation of new works of art and development of research during a term of 6-9 weeks. All of the artists' expenses are covered, including airfare. They will be introduced to the local art scene through a program of meetings, studio visits and talks. The selected artists are expected to hold public presentations of their work towards the end of their residency.

We are hereby pleased to announce the call for applications
for the **RESO 7 _ residency OUT** program at:
Artport, Tel Aviv (Israel)

The **RESO 7** residency at **Tel Aviv** includes 6 - 9 weeks to be scheduled **between September and November 2017** (weeks have to be agreed in line with availability of both the artist and *Artport*).

For information: www.artportlv.org

You are eligible to apply: if you are an artist, curator, researcher, creative professional, (etc.) based in Piedmont regardless of nationality and age. The conditions of the grant specify that dates of the calendar regarding the residency are fixed and no change can be accepted at any time. * NB: As Artport is transitioning to its new space, they are currently only offering residencies for international curators or non-studio based artists. The residency will include a live-and-work space in an apartment, meetings with artists and curators and close curatorial support from the Artport staff.
